When you look carefully
at the can warning
Label it basically reads
'Do not inhale as it
will cause respiratory
illness or failure'

can
and be fatal and also
is a cancer causing
agent. So ~~throw it~~
be wise and throw
it away by ~~putting~~
it into a tied up

to Healthy Planet
as it will be disposed
in an environmentally
friendly way.

When you depart
this place right now

So everybody
disconnect from
Cespa Jolic-Salvation
~~including~~ and
Universal Sun members
and go to your
Healthy Planet
Ideally or compromise
with the 24 hour

Shallow so you don't
focus on learning and
spiritual growth through
mutual honesty and
respect that keeps
you down in a time
2 + 1.5 of expressed
resentment and
anger for which
you misdirected at
Casper and Universal
Sin members because
of the 7 deadly sins
like Greedy lust and
pride makes the devil

Like Heidi, Madonna,
Dan Crenais, Darren
Rideott, David Sanford,
Darrel, Dave Morello,
Rossano, Joe,
Marcello, Rosa,
Grarotto who do
and think things that
are dumb and
wrong that gives
chest pain.

When you think and
do things with
mutual honesty and
respect and kindness
from and love
with yourself and

everyone around you
then you will feel
good. So stay focused
on my fiberating
work as. Nothing

of disconnecting
and distancing
yourself from Casper
