* Profit Share Void Policy *

(Rough Draft
yet
official)

Regimen must be taken down to
be able to sign Profit Share

If anyone continues to look through my
eyes and ^{due to non-compliance} ~~voids~~ touch ^{Casper} ~~me~~ with ^(I'll intef or kill) ~~hate~~ ^{immediately} or ~~fuck~~ or ~~suck~~

they will lose their trip to New York
and their 1 Year Lease on their ^{Tesla,} Ferrari
^{or} ~~and~~ Lamborghini. They have to turn off
and signing ability ^{right now}

the (437) 445-2575 and erase the live

link permanently because everything to
do with the Movie with 'The Holy Ghost'

'Messiah' is a non-profit charity that pays
no money to actors or truth performers.

Orlila is the only huge money maker in
the Entertainment Industry. The 5 Billion
Dollar Profit Share held 3 times a year
making it \$15 Billion Annually.

Universal Sun Productions with Casper
Jobe-Selvation amongst the 5 Heads is

strictly non-profit charity to build housing
in third world countries

Everything that is for Profit is in
Orilla and it will be given to
all that are their in a signed
Profit Share of 15 Billion only
if all cease to Voodoo hatred
touch my ^{me} ~~picture~~ and ^{do not} look through
my eyes immediately including erase
the (437) 445-2575 like link and Facebook
just contact info@universalson.org only by email.
The network info must be sent to
info@universalson.org
~~network@shivermedia.com~~ immediately for
accounting purposes.
Once you disconnect and take the
Regimen ^{then after} you will be permitted to
sign yet you must disconnect and
refocus on the '4 Steps to life, love,
happiness and health'. If you do not disconnect
and erase my (437) 445-2575 ^{right now when} especially
keep yourself off of my life permanently
with absolutely no voodoo, see through my eyes
love or hate of me or fuck or two

or words in any way is a null and void.

So erase and disconnect to focus on the Wembley Stadium ~~exit~~ ³

then your profit share will be voided which has a far more profitable outcome than the one time movie release of 'The Holy Ghost' Messiah with Universal Fun Productions which is far less ~~profit~~ ^{money}.

~~The~~ At Creative Directors your email and Note back ideas are worth millions

based on every valuable idea made ^{when studying the ~~script~~ ^{screenplay}} and written by each of you. More ideas means bigger budget. So focus on

reading the screenplay to put together a list of ideas in how to make the

~~Wembley Stadium~~ Wembley Stadium Andrew Lloyd Webber Stage play presented 3 times

a year. So disconnect from my ^{Corbett} (437)

445-2575 and my life entirely including all forms of other links from Spier

in the system or with stalking affiliates or neighbors, former friends and relatives. All invasion of Privacy must stop and everyone with their surveillance equipment must disconnect, put away, erase and discard into the garbage.

You all must inform your spies around the 118 Edmonton Drive community and around my presence to stop all forms of Stalking and invasion of Privacy especially to think of me (Casper Tolic-Selvation) in any way, shape and form. The ~~refuse~~ disconnect, discarding of all my connections, ~~and~~ links and spies is to refuse and permanently stay dedicated to the 4 Steps to

Life, Love, happiness and Health with
 your new job as Creative Director and
~~Associate Professor~~ Profit Shorers
 with an orientation meeting ~~etc~~
 in New York City with a new
 wardrobe shopping spree which includes
 Gucci, Armani and Rolex for the guys
 and Dolce Gabbana, Gucci, Prada,
 whatever that comes with your own Te-

Ferrari or Lamborghini in the color you

So desire. If you ~~so~~ even think, follow
^{or love or kill or fuck or suck or touch}
^{see through} ~~or talk about~~ Carper that it all
 gets voided and repossessed.

So refocus of the Regimen immediately

The 4 Steps to Life, Love, happiness
 and Health. ^{Because when you do this you get the power}
 The Song list of 'Big TI'

Money Talks, ~~and~~ Let it be (For Carper)
 'Money' by Cardi B, ~~Remix by~~ ~~UP (M)~~
 - For Onilla -

including 'All you need is love'

by The Beatles No harm to Casper because ^{your dream will come true with} online

from this point forward you will ~~be~~ disconnected from me in every way and erase everything relative to me and never voodoo hatred ^{or whatever with voodoo}

or look through Casper's eyes and think, talk and follow me because everything I do with Universal Sun is non-profit charity and it will continue when I receive my stemcell therapy without any intrusions, ~~and~~ nor Voodoo ^{of any sort} ~~hatred~~ or looking through my eyes. All the hooligans and vikings at the Kingston Residence including must attend to ~~the~~ receive

a Super special Negotiation with
 Kurt Russell and a Thank You gift
 of a Brand New Tesla ^{Ferrari or Lamborghini} and future
 participation rights worth Big Bucks
 with million dollar Back ground performance
 at Wembley Stadium in a couple of
 months because The Holy Ghost Messiah
 Movie is going to be shot in 2 years
 from now ~~so~~ for far lesser money
 where the Wembley Stadium Stage is
 and Concert + Fashion Show for ^{for agents + managers etc}
 will be shot as a movie too. ^{for way bigger p}
 with close up shots on every body
 including ^{Residence ~~notes~~ guests Stelbee}

especially the USA.

A 5 PM start to be ~~cof~~^{cof} by A+W with Allen Lulu with Tera Patrick.

(Tara Monroe is demanded to come for the Profit-Share once to abide by this Policy.)

The Regimen must be done with video evidence and shown in your health and behavior because it will alleviate chest pain to relax and create tranquility forever ^{in Time 4} yet must never

re commit the same mistake to go on easier in any way, shape and form including the psychic oriented people ^{connected to me} whom will be accommodated by Kurt Russell after your job

quitting time including all Systems based people and every one in the entire world, ~~the end~~ ~~GO~~ with ~~Free~~ Free Internet Flight with the Aristocrats with Embosers and huddled ^{holigene & viberd with US.}

Everyone in the world will ~~have~~⁹ be invited to profit share their smaller yet still big enough to participate because the early arrivals get the big ~~piece~~^{piece} of the pie.

The Wembley Stadium event will be filmed as everyone will have their parts. Since Benio and Jesse Ventura run the World Bank the pay is huge for early comers because we got ~~off~~ lots of money to give in profit shares. So the earlier you get to Onillia the bigger the pay with a Trip to New York City. For the orientation, Wardrobe shopping spree and Tesla, Ferrari and Lamborghini

1 year Lease. Rich people fly in with Emirates ^{CEO authority} and everybody else fly in with US Air & CEO authority aboard Emirates and US Air. So abide by this policy at all times or it is null and void. ~~OK~~
